Annual Report
2022

Science for a better life

- Integrated Annual Report 2022

Indicators

Our sustainability reporting is aligned to the Global Reporting Initiative (GRI) Standards and the 10 principles of the U.N. Global Compact (UNGC). For 2022 our sustainability reporting is also aligned with the requirements from SASB (Sustainability Accounting Standards Board) and TCFD (Task Force on Climate-related Financial Disclosures). Clear nonfinancial indicators help us measure our performance.

Climate protection targets

in harmony with the Paris Agreement and net zero emissions by 2050

Proportion of women in top management

33% by 2025 and 50% by 2030

Sustainability targets

as part of the variable compensation of the Board of Management

Until 2012 we demonstrated in our Sustainable Development Report how we create a sustained balance between economy, ecology and social responsibility and what contribution we make to sustainable development worldwide. From 2013 until 2018 the Bayer Sustainable Development Report was integrated in the [Annual Report](#).
